Oswald AND HIS WEAPONS—This picture of Lee Harvey Oswald was taken about April of 1963 as he posed in his Dallas, Tex., backyard. He held a rifle which some believed may have been the weapon used in the Kennedy shooting. He wore a revolver on his hip, and held up a newspaper called "The Militant." This picture was published by the Detroit Free Press and the Dallas Morning News. (AP Wirephoto)

Murky, why was not Dallas Police
and Detectives watching the activities of
the known Communist and killer??
Why will not our Government officials
recognize the danger of internal Communism??
